(as amended, the “Bankruptcy Code”), Rule 2014 of the Federal Rules of Bankruptcy Procedure (as amended, the “Bankruptcy Rules”), and Rule 2014-1 of the Local Bankruptcy Rules of the United States Bankruptcy Court for the Southern District of Texas (as amended, the “Local Bankruptcy Rules”). In support of the Application, the Committee submits (i) the declaration of Kenneth Pasquale, a member of Stroock, attached hereto as **Exhibit B** (the “Pasquale Declaration”), and (ii) the declaration of Kristy Woolsey of TETRA Technologies, Inc. the Committee’s Co-Chair, attached hereto as **Exhibit C**, each of which is incorporated herein by reference. In further support of the Application, the Committee respectfully states as follows:

JURISDICTION AND VENUE

1. The Court has jurisdiction over this matter pursuant to 28 U.S.C. § 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b)(2). Venue in this judicial district is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

BACKGROUND

2. On August 3, 2020 (the “Petition Date”), the Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code with this Court. The Debtors continue to operate their businesses and manage their properties as debtors in possession pursuant to sections 1107 and 1108 of the Bankruptcy Code. As of the date hereof, no request for the appointment of a trustee or examiner has been made in these Chapter 11 Cases.

3. On August 18, 2020, the Office of the United States Trustee for the Southern District of Texas (the “U.S. Trustee”) appointed the Committee, which is currently comprised of the following entities: (i) Oceaneering International, Inc.; (ii) Subsea 7 US LLC; (iii) Halliburton Energy Services, Inc.; (iv) TETRA Technologies, Inc.; and (v) Workstrings International, L.L.C.

4. On August 19, 2020, the Committee selected Stroock to serve as counsel, subject to this Court’s approval. On August 20, 2020, the Committee selected Cole Schotz P.C. (“Cole Schotz”) to serve as co-counsel and Conway MacKenzie, LLC (“Conway MacKenzie”) to serve as financial advisor, in each case subject to this Court’s approval.

RELIEF REQUESTED

5. By this Application, the Committee seeks the entry of an order, substantially in the form attached hereto as **Exhibit A**, authorizing the employment and retention of Stroock as the Committee’s counsel, effective as of August 19, 2020, pursuant to section 1103(a) of the Bankruptcy Code, Bankruptcy Rule 2014 and Local Bankruptcy Rule 2014-1.

BASIS FOR RELIEF

6. The Committee seeks to employ and retain Stroock as its counsel, pursuant to section 1103(a) of the Bankruptcy Code, on the terms set forth in this Application and the Pasquale Declaration. Section 1103(a) of the Bankruptcy Code provides that an official committee appointed under section 1102 of the Bankruptcy Code may, with the Court’s approval, “select and authorize the employment . . . of one or more attorneys, accountants, or other agents, to represent or perform services for such committee.” 11 U.S.C. § 1103(a). The Committee believes that Stroock’s employment as its counsel is appropriate, necessary and in the best interests of the Debtors’ general unsecured creditors, and, for the reasons described herein, that the Application should be approved.

A. Stroock's Qualifications

7. The Committee believes that Stroock possesses extensive knowledge and expertise in the substantive areas of law relevant to these Chapter 11 Cases and is well qualified to represent the Committee in connection therewith. In making its selection, the Committee sought counsel with extensive experience representing creditors' committees and other constituents in large, complex chapter 11 cases. Stroock has such experience, having represented numerous creditors' committees, ad hoc committees, lenders, individual creditors and investors in many large and complex chapter 11 cases in this district and others, including (a) official creditors' committees in the chapter 11 cases of, among others, *Aceto Corp.*, *Advanced Glassfiber Yarns, LLC*, *Citadel Broadcasting Corp.*, *Dayton Superior Corp.*, *EP Energy Corporation*, *Extraction Oil & Gas, Inc.*, *Formica Corporation*, *K-V Discovery Solutions, Inc.*, *LSC Communications, Inc.*, *M*Modal*, *McClatchy Company*, *Oglebay Norton Company*, *Portrait Corporation of America*, *Savient Pharmaceuticals, Inc.*, and *Tropicana Entertainment, LLC*; and (b) ad hoc committees in the chapter 11 cases of, among others, *21st Century Oncology, Inc.*, *AAC Holdings Inc.*, *American Gilsonite Company*, *AMF Bowling Worldwide, Inc.*, *Appvion, Inc.*, *Aquilex Holdings LLC*, *Avaya Inc.*, *Brookstone Holdings Corp. I and II*, *Caesars Entertainment Operating Company, Inc.*, *Cenveo, Inc.*, *Deluxe Entertainment*, *Empire Generating LLC*, *Monitronics International, Inc.*, *Neenah Enterprises, Inc.*, *New Gulf Resources*, *Panda Temple Power LLC*, *Seadrill Limited*, *SFX Entertainment, Inc.*, *TCI 2 Holdings, LLC*, *Texas Petrochemicals Corp.*, *The Great Atlantic & Pacific Tea Co., Inc. I and II*, *Ultra Petroleum Corp.*, *Vertis Communications*, and *Warren Resources*. Stroock also has a broad-based practice in other key areas of law relevant to these Chapter 11 Cases, including debt finance, mergers and acquisitions, corporate, securities, litigation and tax. The Committee believes that Stroock is well qualified to serve as its counsel in these Chapter 11 Cases.

B. Scope of Services

8. The professional services to be rendered by Stroock as counsel to the Committee are expected to include the following (without limitation):

- a) advise the Committee with respect to the Committee's powers and duties under Bankruptcy Code section 1103 of the Bankruptcy Code;
- b) assist and advise the Committee in its consultations, meetings and negotiations with the Debtors, other creditors, and other parties-in-interest;
- c) assist the Committee in its investigation of the acts, conduct, assets, liabilities, and financial condition of the Debtors;
- d) assist the Committee in connection with any proposed sale of the Debtors' assets;
- e) assist the Committee in analyzing the claims of the Debtors' creditors and the Debtors' capital structure;
- f) assist and advise the Committee in negotiating with holders of claims, including analysis of possible objections to the priority, amount, subordination, or avoidance of claims and/or transfers of property in consideration of such claims;
- g) advise and represent the Committee in connection with matters generally arising in these Chapter 11 Cases, including the Debtors' motion to incur DIP financing, "second day" pleadings and other pleadings;
- h) assist the Committee in its review, analysis and negotiation of any potential compromises or settlements, and the assumption and rejection of executory contracts and unexpired leases;
- i) assist the Committee in connection with any chapter 11 plan(s) that may be filed, and any disclosure statement and other documentation accompanying such plan(s), or any other disposition of these Chapter 11 Cases;
- j) appear before this Court, any other federal, state or appellate court, or the Office of the United States Trustee, on behalf of the Committee;
- k) take all necessary actions to protect and preserve the interests of the Committee and unsecured creditors generally, including (i) review and analysis of any reports or analyses prepared in connection with the Debtors' potential claims and causes of action, (ii) investigate any potential claims and causes of action, including prepetition transactions involving the sponsors; (iii) potential prosecution of actions on the Committee's behalf, (iv) if appropriate, negotiations concerning all litigation in which the Debtors are involved, and (v) advise the Committee with respect to the foregoing and perform such other diligence and independent analysis as may be requested by the Committee;
- l) respond to inquiries, as appropriate, from individual creditors as to the status of, and developments in, these Chapter 11 Cases;
- m) prepare, on behalf of the Committee, any pleadings, including without limitation,

motions, applications, orders, memoranda, complaints, answers, objections, replies, responses, and papers with respect to any of the foregoing; and

- n) perform such other legal services as may be required or are otherwise deemed to be in the interests of the Committee in accordance with the Committee's powers and duties as set forth in the Bankruptcy Code, Bankruptcy Rules, or other applicable law.

9. As noted above, the Committee is also seeking to employ and retain Cole Schotz, as co-counsel, and Conway MacKenzie, as financial advisor, in each case, to assist the Committee in these Chapter 11 Cases, and in each case subject to this Court's approval. The Committee may also seek in the future to retain other professionals to assist in these Chapter 11 Cases. Stroock has represented to the Committee that it will coordinate with the other professionals retained by the Committee in an attempt to avoid or minimize unnecessary duplication of services. The Committee believes that Stroock will provide these necessary services in a cost-effective, efficient and expert manner.

C. Retention Effective as of August 19, 2020

10. The Committee requests that Stroock's retention be approved, effective as of August 19, 2020, the date Stroock was selected to represent the Committee and began substantive work on behalf of the Committee. The Committee believes that the approval of Stroock's retention effective as of August 19, 2020 is appropriate in light of the Committee's immediate and urgent need for legal services immediately upon its selection. Furthermore, Local Bankruptcy Rule 2014-1(b)(1) provides that an application for approval of employment made within thirty days of the commencement of the provision of services is deemed contemporaneous. The Committee submits that approval of the Application will not prejudice any party in interest because the Committee is a critical participant in these proceedings and should be allowed to retain counsel to advise it, as authorized by the Bankruptcy Code.

D. Compensation

11. It is the Committee's understanding that Stroock will apply for compensation for professional services rendered and reimbursement of expenses incurred in connection with the Debtors' Chapter 11 Cases in compliance with Sections 330 and 331 of the Bankruptcy Code and applicable provisions of the Bankruptcy Rules, Local Bankruptcy Rules, and any other applicable procedures and orders of the Court. The Committee further understands that Stroock intends to make a reasonable effort to comply with the U.S. Trustee's requests for information and additional disclosures as set forth in the *Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed under 11 U.S.C. § 330 by Attorneys in Larger Chapter 11 Cases Effective as of November 1, 2013* (the "UST Guidelines"), both in connection with this Application and the fee applications to be filed by Stroock in these Chapter 11 Cases.

12. It is also the Committee's understanding that Stroock will seek compensation for its legal services based on its standard hourly rates then in effect, which are fairly designed to compensate Stroock for the work of its attorneys and paraprofessionals based on each professional's level of experience, and that Stroock will seek reimbursement for its actual and necessary expenses incurred in connection with rendering such services. Compensating Stroock on an hourly basis is consistent with section 328(a) of the Bankruptcy Code.

13. At present, the standard hourly rates of the Stroock attorneys and paraprofessionals expected to assist the Committee are set forth below:

Partners	\$1,150 – \$1,650 per hour
Associates/Special Counsel	\$550 – \$1,195 per hour
Paraprofessionals	\$370 – \$450 per hour

14. The Committee understands that these hourly rates are Stroock's current customary hourly rates for work of this nature, and are subject to periodic adjustments in the

normal course of Stroock's business. In addition, other Stroock attorneys may be asked to assist in this representation, based upon the developing facts and circumstances of these Chapter 11 Cases. Stroock will maintain detailed, contemporaneous records of time and any costs and expenses incurred in connection with the rendering of the legal services described above. The Committee understands that Stroock will also seek reimbursement for expenses incurred, including transportation, photocopying, delivery service, postage and package delivery, vendor charges, court fees, transcript costs, computer-aided research, airfare, meals (including overtime meals), lodging and other out-of-pocket expenses incurred in connection with providing professional services. In addition, Stroock, acting upon direction from the Committee, will seek the reimbursement of the expenses Committee members may incur in connection with their service on the Committee. Stroock will submit any such expenses with its monthly fee statements.

E. Disinterestedness

15. To the best of the Committee's knowledge, information, and belief, based on the Pasquale Declaration, Stroock does not represent any entity having an adverse interest in connection with these Chapter 11 Cases. Thus, Stroock's retention is authorized by section 1103(b) of the Bankruptcy Code. The Pasquale Declaration sets forth, as required by Bankruptcy Rule 2014(a), to the best of Mr. Pasquale's knowledge, information and belief as set forth therein, Stroock's connections with the Debtors, the Debtors' known creditors, and certain other known parties-in-interest, as described in more detail therein. As set forth in the Pasquale Declaration, Stroock does not believe that any of those connections would preclude the Committee's retention of Stroock under sections 1103 and 101(14) of the Bankruptcy Code, as Stroock is a "disinterested person" within the meaning of the Bankruptcy Code and does not represent or hold any interest adverse to the Debtors, their creditors or the Debtors' estates. Stroock will continue to conduct reviews of its records, and, if additional relevant facts or circumstances arise beyond those stated

in the Pasquale Declaration, Stroock will make further disclosures to the Court in a supplemental filing.

CONCLUSION

16. The Committee submits that for all of the reasons set forth above and in the Pasquale Declaration, the retention of Stroock as counsel to the Committee, on the terms set forth herein and in the Pasquale Declaration, is warranted and should be approved.

NOTICE

17. Notice of this Application has been provided to all parties on the Debtors' master service list. The Committee respectfully submits that such notice is sufficient under the circumstances and that no further notice of this Application or the relief requested herein is required.

NO PRIOR REQUEST

18. No previous request for the relief sought herein has been made to this or any other Court.

[Remainder of Page Intentionally Left Blank]

WHEREFORE, the Committee respectfully requests that the Court enter an order, substantially in the form attached hereto as **Exhibit A**, and grant the Committee such other and further relief as the Court may deem just and proper.

6. Stroock shall apply for compensation for professional services rendered and reimbursement of expenses incurred in connection with the Debtors' Chapter 11 Cases in compliance with sections 330 and 331 of the Bankruptcy Code and applicable provisions of the

Bankruptcy Rules, Local Bankruptcy Rules, and any other applicable procedures and orders of the Court. Stroock also intends to make a reasonable effort to comply with the U.S. Trustee's requests for information and additional disclosures as set forth in the *Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed under 11 U.S.C. § 330 by Attorneys in Larger Chapter 11 Cases Effective as of November 1, 2013*, both in connection with the Application and the interim and final fee applications to be filed by Stroock in these Chapter 11 Cases.

7. At present, the standard hourly rates of the Stroock attorneys and paraprofessionals expected to assist the Committee are as follows:

Partners	\$1,150 – \$1,650 per hour
Associates/Special Counsel	\$550 – \$1,195 per hour
Paraprofessionals	\$370 – \$450 per hour

8. Stroock's hourly rates are set at a level designed to fairly compensate Stroock for the work of its attorneys and paralegals and to cover fixed and routine expenses. Hourly rates vary with the experience and seniority of each attorney or paraprofessional assigned. These hourly rates are subject to periodic adjustments in the normal course of Stroock's business, typically in January of each year. In addition, other Stroock attorneys may be asked to assist in this representation, based upon the developing facts and circumstances of these Chapter 11 Cases.

9. Stroock will also seek reimbursement of expenses incurred in connection with Stroock's representation of the Committee, including transportation, photocopying, delivery service, postage and package delivery, vendor charges, court fees, transcript costs, computer-aided research, airfare, meals (including overtime meals), lodging and other out-of-pocket expenses incurred in providing professional services. In addition, Stroock will seek the reimbursement of

expenses that may be incurred by Committee members in connection with their service on the Committee. Stroock will include any such expenses with its monthly fee statements.

10. As of the date of this Declaration, Stroock has not received any compensation for its work on behalf of the Committee.

STROOCK'S DISINTERESTEDNESS

11. In connection with its proposed retention by the Committee in these Chapter 11 Cases, Stroock obtained from the Debtors a list of the names of individuals or entities that the Debtors identified as potential parties-in-interest in these Chapter 11 Cases (collectively, the "Debtors' Potential Parties-In-Interest List"). Stroock is informed that the Debtors' Potential Parties-In-Interest List includes, among others, the names of (a) the Debtors and the Debtors' non-debtor subsidiaries, (b) the Debtors' current managers and current and former officers and directors, (c) significant equity holders, (d) known current or former bondholders, (e) lenders, (f) loan agents and indenture trustees, (g) depository/disbursement banks, (h) insurance providers and brokers, (i) surety providers, beneficiaries and brokers, (j) creditors (including secured creditors), (k) material royalty and other interest owners, (l) litigation counterparties, (m) contract counterparties, (n) significant customers and competitors, (n) other parties, (o) Judges for the United States Bankruptcy Court for the Southern District of Texas, and (p) attorneys and staff for the Office of the U.S. Trustee.

12. In preparing this Declaration, the names listed in the Debtors' Potential Parties-in-Interest List, together with the names of the members of the Committee (collectively, together with the Debtors' Potential Parties-in-Interest List, the "Potential Parties in Interest", which list is annexed hereto as Annex 1), were submitted to and searched within Stroock's electronic client database (the "Client Database"). The Client Database contains the names of Stroock's clients and certain conflict-related information. One or more Stroock attorneys and

paraprofessionals then compared the list of Potential Parties-in-Interest to client matters that appeared in the Client Database, and any matches to names in the Client Database were compiled. In addition, a firm-wide email was issued to all Stroock attorneys requesting disclosure of any representation of or connection with the Potential Parties-In-Interest.

13. Through the information generated from this search of the Client Database, the firm-wide inquiry and (if applicable) specific inquiries of certain Stroock personnel, it was determined that Stroock (its partners, counsel, associates and employees) has or had a connection with the persons or entities identified on Annex 2 annexed hereto, in each case, on matters unrelated to the Debtors or the Chapter 11 Cases (except as otherwise noted herein).

14. Out of an abundance of disclosure, certain of the representations reflected in Annex 2 are also highlighted below. The aggregate amount of fees collected by Stroock on account of Stroock's representation of each of the Parties-In-Interest identified in Annex 2, respectively, during the 12-month period from September 1, 2019 through August 31, 2020 (the "Measuring Period"), was less than 1% of the total fee revenue collected by Stroock during the Measuring Period in the aggregate, except for (a) McKinsey and Company, which accounted for approximately 2.39% of the total fee revenue collected by Stroock during the Measuring Period in the aggregate, (b) American Express Company, which accounted for approximately 1.03% of the total fee revenue collected by Stroock during the Measuring Period in the aggregate, and (c) J.P. Morgan Investment Management, Inc., which accounted for approximately 10.88% of the total fee revenue collected by Stroock during the Measuring Period in the aggregate.

15. In addition, Stroock has represented the Official Committee of Unsecured Creditors in the chapter 11 cases of EP Energy Corporation ("EP Energy") and its affiliated debtors and debtors-in-possession. EP Energy (but not its Official Committee of Unsecured Creditors) is

listed by the Debtors as a competitor on the Debtors' Potential Parties-in-Interest List. The plan of reorganization in the EP Energy bankruptcy cases was confirmed by order of this Court dated August 27, 2020, and upon the effective date of that plan (expected on or about October 1, 2020), the Official Committee of Unsecured Creditors will be disbanded and Stroock's representation will end.

16. The electronic inquiry described above did not include a request for information related to any personal financial or brokerage accounts held by any Stroock attorneys or employees with any of the Potential Parties-In-Interest. However, given that Stroock has over 500 attorneys and other employees, it is possible that certain attorneys and employees may hold financial, brokerage or personal accounts with one or more of the Potential Parties-In-Interest.

17. Stroock is or has been engaged in a number of matters unrelated to these Chapter 11 Cases in which various parties-in-interest in these Chapter 11 Cases are also involved. Moreover, due to the nature and size of its practice, Stroock has or has had connections or relationships as counsel with many major law firms in most, if not all, major cities in the United States, which includes law firms representing creditors or other parties-in-interest in this case; all such relationships are on matters unrelated to these Chapter 11 Cases.

18. From time to time, Stroock works with certain professional firms that have been retained by the Debtors or other parties in these cases and that may be rendering advice to other parties in interest in these cases.

19. Because of the size, nature and complexity of these Chapter 11 Cases and the large number of parties involved, Stroock attorneys and employees, under my supervision and direction, have been and will continue to be engaged in an effort to identify all of Stroock's connections with the Debtors, their creditors, other parties-in-interest as well as their respective

attorneys and accountants. Although Stroock has undertaken such an effort, it is possible that connections with some parties-in-interest have not yet been identified and/or that Stroock is unable to state with certainty which of its clients (or such client's affiliates) hold claims or otherwise are parties in interest in these cases. Accordingly, this Declaration will be supplemented to the extent any information disclosed herein requires amendment or modification upon Stroock's completion of its review, or as additional information regarding parties-in-interest becomes available.

20. Stroock does not represent any person or entity other than the Committee in matters related to the Chapter 11 Cases.

21. Stroock has no agreement with any entity to share any compensation received by Stroock in connection with these Chapter 11 Cases, nor will any be made, except as permitted under section 504(b)(1) of the Bankruptcy Code.

22. I am not related, and to the best of my knowledge, no attorney at the firm has a connection with any United States Bankruptcy Judge or District Court Judge for the Southern District of Texas or to the United States Trustee for such district or any employee in the office thereof.

23. Stroock will use reasonable efforts to comply with the UST Guidelines.

[Remainder of Page Intentionally Left Blank]

Pursuant to 28 U.S.C. §1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge, information and belief.

⁴ The Debtors identify J.P. Morgan Chase Bank, N.A., an affiliate of J.P. Morgan Investment Management, Inc. (“JPMIM”), a registered investment adviser and asset manager, as a “bank” and “lender” to the Debtors. I am informed by Stroock attorneys primarily responsible for such representations and other Stroock personnel that Stroock represents JPMIM as outside counsel primarily for real estate investments and real asset fund formation work. I am further informed by Stroock personnel that, (a) generally, legal fees for such work are paid by third party clients or customers of JPMIM directly, or by JPMIM on behalf of such clients or customers, on account of such services, and (b) in more limited circumstances, such as counselling on general or regulatory matters, JPMIM has paid Stroock’s legal fees directly on its own behalf. Based on information provided to me by Stroock attorneys primarily responsible for such representations and other Stroock personnel, the aggregate amount of fees paid by third party clients or customers of JPMIM, or by JPMIM on behalf of such clients or customers, primarily in connection with real estate investment and fund formation transactions, constituted approximately 10.88% of the total fee revenue collected by Stroock during the Measuring Period in the aggregate. All such work performed by Stroock involves matters that are wholly unrelated to the Debtors or the Chapter 11 Cases.

3. This Declaration is provided pursuant to the UST Guidelines. Except as otherwise noted herein, all facts in this Declaration are based on my personal knowledge and belief of the matters set forth herein, information gathered from my review of relevant documents, and information supplied to me by Stroock.

4. I am informed by Stroock that Paragraph D.2. of the UST Guidelines requires that any application for employment of an attorney under 11 U.S.C. § 1103 be accompanied by a verified statement from the client that addresses the following:

- (a) The identity and position of the person making the verification. The person ordinarily should be the general counsel of the debtor or another officer responsible for supervising outside counsel and monitoring and controlling legal costs.
- (b) The steps taken by the client to ensure that the applicant's billing rates and material terms for the engagement are comparable to the applicant's billing rates and terms for other non-bankruptcy engagements and to the billing rates and terms of other comparably skilled professionals.
- (c) The number of firms the client interviewed.
- (d) If the billing rates are not comparable to the applicant's billing rates for other non-bankruptcy engagements and to the billing rates of other comparably skilled professionals, the circumstances warranting the retention of that firm.
- (e) The procedures the client has established to supervise the applicant's fees and expenses and to manage costs. If the procedures for the budgeting, review and approval of fees and expenses differ from those the client regularly employs in non-bankruptcy cases to supervise outside counsel, explain how and why. In addition, describe any efforts to negotiate rates, including rates for routine matters, or in the alternative to delegate such matters to less expensive counsel.

IDENTITY OF DECLARANT

5. On August 18, 2020, the Office of the United States Trustee for the Southern District of Texas (the "U.S. Trustee") appointed the Committee. The Committee is currently comprised of the following entities: (i) Oceaneering International, Inc.; (ii) Subsea 7 US LLC; (iii) Halliburton Energy Services, Inc.; (iv) TETRA Technologies, Inc.; and (v) Workstrings International, L.L.C. On August 19, 2020, the Committee selected Stroock & Stroock & Lavan

LLP to serve as counsel, subject to this Court's approval. On August 20, 2020, the Committee selected Cole Schotz P.C. to serve as co-counsel and Conway MacKenzie, LLC to serve as financial advisor, in each case subject to this Court's approval.

6. As Director of Credit for TETRA Technologies, Inc., a member of the Committee, I was directly involved in the Committee's decision to retain Stroock and actively participated in negotiating the terms of Stroock's employment together with the other members of the Committee.

STEPS TAKEN TO ENSURE THE COMPARABILITY OF ENGAGEMENT TERMS

7. Stroock has informed the Committee that its rates for bankruptcy representations are comparable to the rates Stroock charges for non-bankruptcy representations, and that Stroock endeavors to set its hourly rates for attorneys and paraprofessionals at levels competitive to those charged by peer firms.

COMMITTEE'S SELECTION OF COUNSEL

8. Following its formation, the Committee selected four law firms to interview to represent the Committee as lead bankruptcy counsel in these cases. After interviewing these firms, the Committee found Stroock to be uniquely qualified for the present engagement and selected Stroock as its counsel. As described in the Application and the Pasquale Declaration, I understand that Stroock maintains a broad-based, nationwide practice and has a long history of representing official committees (and other parties in interest) in large, complex chapter 11 cases. Therefore, it is the Committee's opinion that Stroock's capabilities and expertise will enable it to faithfully and competently fulfill its responsibilities to the Committee.

RATE STRUCTURE

9. Stroock has informed the Committee that its hourly rates are subject to periodic adjustments (typically in January of each year) to reflect economic and other conditions. Stroock has advised the Committee that it will inform the Committee of any such adjustments.

COST SUPERVISION

10. The Committee recognizes its responsibility to closely monitor Stroock's billing practices to ensure the fees and expenses charged are consistent with the Committee's expectations and the exigencies of these Chapter 11 Cases. Accordingly, the Committee will review Stroock's invoices and any applications for payment of fees and reimbursement of expenses that it submits to the Court. In addition, Stroock's fees and expenses will be subject to this Court's review and approval pursuant to any procedures that may be or have already been established by the Court in these Chapter 11 Cases.

11. Nothing contained herein is intended to limit Stroock's ability to request allowance and payment of fees and expenses pursuant to 11 U.S.C. §§ 330 and 331, nor to restrict Stroock's right to defend against any objection raised to the allowance or payment of such fees, nor to restrict the Committee's right to use conflicts counsel to prosecute any such fee objection to the extent it is not resolved informally by the parties or raised by another party-in-interest, such as the U.S. Trustee.

[Remainder of Page Intentionally Left Blank]

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge and belief.
